**Pack a Picnic** Fill this wagon with wine and cheese and wheel it to the park—or leave it by the back door to give your home a laid-back “get out of town any time” feel. \$450; [creaturesofcomfort.us](http://creaturesofcomfort.us)

**Dialed Up** The wooden face on Ralph Lauren's Automotive Watch was inspired by the dashboard of the designer's Bugatti Atlantic, on view now in an exhibition of his cars in Paris. \$11,900; [ralphlaurenwatches.com](http://ralphlaurenwatches.com)

**Eye Candy** Prada's runway-style Minimal Baroque line of sunglasses sold out instantly, prompting the fashion house to create a second edition—now a favorite of Eve Mendes. \$290; [prada.com](http://prada.com)

**Chanel Surfing** Brave huge waves with one of the only high-end items you can actually step on. Chanel's monochrome carbon board comes in black, red, and white. \$7,000; [chanel.com](http://chanel.com)
